

Accessibility Statement

Effective Date: Aug 1 2026

Valour Emergency Preparedness is committed to providing accessible training experiences and ensuring our services are welcoming and inclusive for all participants.

We strive to remove barriers and provide reasonable accommodations whenever possible.

Our Commitment

Valour aims to:

- Provide clear and accessible communication
- Support diverse learning needs
- Create safe and respectful training environments
- Consider accessibility needs during course planning

Training Accessibility

If you require accommodations due to accessibility needs, please contact Valour before your course so we can discuss available options.

Possible accommodations may include:

- Alternative learning methods
- Additional time for assessments
- Physical accessibility considerations
- Communication support

Website Accessibility

We are committed to improving website accessibility and providing information in a clear and usable format.

If you experience difficulty accessing any content, please contact us so we can work toward a solution.
